

LROCA Reader's Rig questionnaire

Please send in your answers together with at least two photos: One including you and one of your LR.

If you have plenty of photos of your truck in action – (off-road or not – no problem) send in a selection.

E-mail everything to Neil Abbott (neil.abbott@manumarine.com)

1. Name, Age, birthplace
2. If not a Kiwi, how did you end up here?
3. How do you earn money to fund your Land Rover fetish?
4. How come you like Land Rovers then?
5. What was your first LR?, where did you buy it? And for how much?
6. Current Land Rover (s)
model
year
engine
tyres
7. If you have more than one LR, how come?
8. Why did you buy the tyres you have?
9. Have modified your truck with real LR add-ons/extras?
10. What modern gadgets have you added?
11. What other modifications have you made to it?
12. Is it better now you've made the modifications?
13. What would really like to add to it?
14. They say you don't really own a Land Rover until you've taken the wheels off. Have you taken your own wheels off?
15. What was the most scary moment with your LR?
16. Where have you travelled with your LR?
17. Do you flash your lights/smile/wave at others driving the same model LR as you?
If not, why not?
18. Do you think the back of the new Disco 3 looks like a Toyota van?
19. Keep on telling us more if you'd like to!
